Teachers for Next Year

As we are getting closer to the end of the school year, many of you are asking about requesting teachers for next year. Please understand that no matter who your child’s homeroom teacher will be, your child will have many different teachers for different subjects and will have the opportunity to learn from the very excellent programs we offer at American Preparatory Academy. As we create new class lists for this upcoming school year, it is important to us that we consider each child individually and give them the best placement possible. We love your students and we desire success and happiness for each one of them. We will go over the class lists with a “fine-tooth comb,” making sure that each student is in the best place possible for him/her. Thank you for your support!
