Jo Telford	Zander Terpenning	Emily Ton	Paisley Youd

## **Teachers for Next Year**

As we are getting closer to the end of the school year, many of you are asking about requesting teachers for next year. Please understand that no matter who your child's homeroom teacher will be, your child will have many different teachers for different subjects and will have the opportunity to learn from the very excellent programs we offer at American Preparatory Academy. As we create new class lists for this upcoming school year, it is important to us that we consider each child individually and give them the best placement possible. We love your students, and we desire success and happiness for each one of them. We will go over the class lists with a "fine-tooth comb," making sure that each student is in the best place possible for him/her. Although we will not be taking general requests, if your child has certain needs that require special consideration, please feel free to e-mail the appropriate director before this school year ends on June 2<sup>nd</sup>. The K-3 director is Jessica Barton, and her e-mail is [jbarton@apamail.org](mailto:jbarton@apamail.org). The 4-6 director is Cody O'Brien, and his e-mail is [cobrien@apamail.org](mailto:cobrien@apamail.org). Richard Fillerup is the secondary director, and he can be reached at [rfillerup@apamail.org](mailto:rfillerup@apamail.org). Thank you for your support!

## **Internet for Low-Income Households**

Congress passed a broadband infrastructure and connectivity package. Just recently, the Federal Communications Commission announced that 20 of the nation's internet providers have committed to lowering costs for low-income households. This step will essentially provide free high speed internet for those participating in the [Affordable Connectivity Program](#). For Utah residents to get their share of the funding, families need to sign up for themselves. For information regarding this, please use the following link:
